## PROFILE

Goal-oriented software engineer with experience in developing and deploying solutions using Object-Oriented languages such as Python and VB.NET, as well as web development technologies like HTML, CSS, and JavaScript. Seeking a software engineering role to continue creating innovative solutions and driving success in a collaborative environment.

## WORK EXPERIENCE

### **Programmer Analyst, RPA Application Development Courts Administration Service | Government of Canada**

12/2022 - 03/2023 OTTAWA

- Planned and analyzed system application requirements, translating them into solutions using Object-Oriented languages such as Python, VisualBasic, MSSQL, and UiPath
- Designing, developing, testing, and deploying Robotic Process Automation
- Leveraged PowerApps, Microsoft PowerBI, and other data reporting tools to present to stakeholders and superiors
- Configuration and maintenance of applications and products in support of four major courts in Canada
- Collaborating with business analysts, process owners, and other stakeholders to identify opportunities for automation
- Used Microsoft Team Foundation Service and Microsoft Azure Dev Ops to organize, plan and store projects and source code

### **Web Developer Co-op 3 Skills Inc**

09/2021 - 04/2022 OTTAWA

- Developing and maintaining responsive and user-friendly web pages and applications using HTML, CSS, JavaScript, and relational databases
- Collaborating with UI/UX designers, back-end developers, and other stakeholders to implement web design concepts and functionality such as integrating front-end code with back-end APIs and databases
- Ensuring cross-browser compatibility and adherence to WCAG requirements and accessibility guidelines,
- Debugging and troubleshooting issues with web pages and applications
- Participating in Agile/Scrum ceremonies such as sprint planning, daily standups, and retrospective meetings

### **Customer Success Associate Scotiabank**

04/2019 - 09/2021 OTTAWA

- Expertly handled customer inquiries and adeptly resolved complex customer issues with the online platform with transaction inconsistencies
- Regularly explained the inner workings of credit and financial products provided by the bank to clients
- Contributed to branch sales by analyzing qualified leads that were shared with Account Executives and Financial Advisors
- Regularly showed a strong work ethic which led to improved customer feedback ratings
- Received positive feedback from the Branch Manager and District Supervisor for showing initiative, resulting in being the highest-rated employee in my role
